

INYATI | UNIT 1

Inyati, meaning buffalo, is one of the signature units of Elephant Walk Retreat. This unit was one of the very first to be established on the property, and was designed to cater to traveling families, and small groups of friends.

This chalet offers superb views of the Kruger National Park, with a wonderful seating and barbeque (braai) area overlooking the Crocodile River.

This unit can comfortably sleep six guests and has two separate bedrooms, which are air-conditioned; the master bedroom has a king-sized bed, plenty of wardrobe space and a large dressing table. A glass sliding door leads on to the patio with magnificent views of the Kruger.

The second bedroom has two single beds, and also offers a wardrobe.

This unit offers one bathroom with a shower, washbasin and toilet, and a second toilet separately.

The living room area offers comfortable seating, and a fold-out sleeping couch, which the staff can make up upon request. Both units also offer a TV with the full Dstv bouquet.

The kitchen is fully equipped including a microwave, oven, stove, kettle and toaster.

This unit offers an under-roof parking and is situated close to the communal pool area.
