The log cabin can sleep six guests. The master bedroom offers a king-sized bed, a three-quarter bed and a fold out sleeper couch, which can be made up upon request by the staff, as well as an en suite bathroom with a private shower and toilet area.

The second bedroom offers two single beds, with an en suite bathroom, which has a private toilet, shower and washbasin.

Both bedrooms have large sliding doors, which open on to the thatched private deck, where there is a dining table, and well-equipped kitchenette, which is used as a living room area, it does not offer an oven but has a microwave and stove.

A barbeque (braai area) is situated just outside the entrance to the log cabin and has a comfortable seating area for friends and family to come together and enjoy a scrumptious meal while taking in the atmosphere of the magical African bush.
